## Facts about Massachusetts' African American Soldiers, Marines and Patriots of the Revolutionary War

- African Americans served in all of the major battles of the Revolutionary War (1775-1783), from Lexington and Concord to Yorktown.
- Revised estimates suggest that between 5,000 and 10,000 could have served as soldiers, marines and civilian workers (referred to interchangeably as soldiers and patriots).
- For generations, historians had estimated that at least 5,000 served; however, less than half were known until *Forgotten Patriots, African American and American Indian Patriots of the Revolutionary War* was published by the National Society Daughters of the American Revolution in 2008.
- At least 1,570 patriots served in the Continental Army and state militia of Massachusetts.
- At least 1,174 patriots are connected by birth, enlistment or residence to a Massachusetts community ("resident soldiers.")
- 31 percent of the 5,000 known patriots resided in Massachusetts
- 48 percent of the 5,000 known patriots resided in Massachusetts and Connecticut.
- 194 of the 351 municipalities of Massachusetts are connected to one or more patriots. (234 municipalities existed during the Revolutionary War.)
- 336 patriots are not associated with a community.
- 51 patriots were residents of neighboring states and served in Massachusetts units.
- 9 patriots are associated with a county but not a town.
- Descriptive lists record them as Negro, black, mulatto, yellow, wool hair, colored, brown, dark, copper, Azorean, Iberian, African, part Indian, man of color and "former enslaved man."
- Most black patriots had typical European surnames; however, 20 used the town of "Boston" as a surname and 46 took the surname "Freeman" to express their aspirations. At least one "Freeman" also used the surname "Liberty."
- These are the names of a few wives -- Hannah Woods; Cate Green, Rhoda, Phoebe Rosier (described as Indian)
- The patriots served in many roles: soldier, sailor, marine, patriotic service, cook's mate, waiter, barber, landsman, drummer, fifer, carpenter, servant, and gentleman soldier. (The vast majority were fighting men. All were put in harm's way.)
- Sailors served on board the Frigate Boston, Schooner Resolution, Ship Essex, Privateer Thomas, Ship Pilgrim and Ship Deane, among others.
- Boys served on the Brigantines Hazard and Independence.
- At least 59 soldiers applied for a pension.
- At least seven soldiers died in service.
- 33 towns in Middlesex County were home to 193 soldiers, the highest of any county. Woburn (16) had the most. Counties ranking second and third are Essex (167) and Plymouth (136).
- The total for Middlesex County represents 16 percent of the state's total and 5 percent of the nation's total of resident soldiers.
- Boston (93) had the highest number of resident soldiers of any municipality, representing 79 percent of Suffolk County's total and 8 percent of the state's total.
- The 117 resident soldiers of Suffolk County, including Boston, represent 10 percent of the state's 1,177 resident soldiers and 3 percent of the nation's.
- These towns sent between 21 and 40 patriots into battle: Bridgewater (40), Plymouth (26), Dartmouth (25), Salem (25), Andover (23), Lancaster (23) and Worcester (21).
